

CALL FOR PAPERS

15th Conference of the International Association of Colloid and Interface Scientists

jointly with the 47th Hauptversammlung
of the German Colloid Society

24–29 May 2015 · Mainz · Germany

TOPICS

- » Wetting (German Colloid Society, COWET)
- » Responsive Systems (German Colloid Society)
- » Surface forces, adhesion, friction and thin liquid films
- » Foams, Bubbles, Emulsions and Microemulsions
- » Fine particles and colloidal suspensions
- » Molecular assemblies
- » Biocolloids and biointerfaces
- » Technologies, applications and products
- » General

CHAIRMAN

Hans-Jürgen Butt

Max Planck Institute for
Polymer Research,
Mainz, Germany

ABSTRACT SUBMISSION

We invite you to submit abstracts
for oral and poster contributions
related to the congress topics
by 8 January 2015.

Please submit your one-page
abstract. For guidelines see
the congress website.
